**What's Been Happening?** We've been away so, have missed the Oppie Sailors, on the last day of their course, taking to the Open Sea in Toppers– so well done you! Richard has put I lots of photo's on Face Book so check those out. Also missed was the Fathers' Day Spoon so very well done to Francesca & Simon who went away with the priceless "Trophy"!

**Sunday 25<sup>th</sup> June** – Rough seas meant all activity took place on the lake – so I'll let the pictures do the talking!

### **What a week ....**

The Centre has been given a Barely used Pico Race dinghy & a small inflatable with a rigid hull + 6hp 4 stroke engine, perfect for use on the Lake.

A former Member has donated a Topper dinghy & Littlehampton Town Council have granted £600 for new dinghy covers.

A very small rash vest left behind on Sunday 25<sup>th</sup>.

### **Snippets:**

- ❖ **2 420 dinghies available** – offers in the region of £500 please, speak to any Committee Member if interested.
- ❖ **Two New Families** to go on the Beach Duty Rota: Parents/Guardians of Josh & Luke Stephenson 01903244926 & Lauren Stevens 01903 413719.
- ❖ **Still chasing up Subs** – 50% by end of the week please unless other arrangements have been agreed.
- ❖ **Sign up to help out at the Centre** – please indicate on the list of family names in the Meeting Room what jobs you are happy & willing to help out with. Recently most of the general maintenance jobs have been undertaken by the Instructor & Safety Crews who give up a lot of their time, on top of the Centre sessions, running Courses & providing Safety Cover for local events both of which generate a significant income towards running the Centre &, in between times maintaining the craft you all benefit from.
- ❖ **PS The grass** desperately needs cutting.
- ❖ **The Valiant Safety Boat** needs replacing – does anyone out there know likely sponsor/s with the cash?
- ❖ **Beach Duty Parents** – Please remember Hi Vis Jackets & escort ALL youngsters across the road – both ways.
