Perhaps an opportunity for all aspiring racers to get to Dell Quay to see what the WSS&YSA Regatta is all about & to see what you could be taking part in next year & there is an excellent Pub next door.

Those wishing to sail must register on Bart's Bash website - search for AYC venue and register there. £5 to sail as a donation (to Jan please) for the Andrew (Bart) Simpson Sailing Foundation.

All got back in 1 piece but the Hot Chocolate really took a hammering! Pity about Roger who had to swim ashore as it was too risky to bring the RIBs in until the tide had gone down a bit. Many thanks to those who stayed around to help with getting all the craft ashore.

1 420 dinghy still available – offers in the region of £500 please, speak to any Committee Member if interested.

Safety Boat – the Centre STILL needs to replace the Valiant so if anybody has any ideas of a local company, business or potential wealthy benefactor who might sponsor the Centre please let us know.
