

ONLY 4 MORE NORMAL SUNDAY SAILING SESSIONS

It's well done to the Centre's "Mini" Team who competed in the WSS&YSA Regatta at Dell Quay last weekend. Saturday's weather was "challenging", I think is the word, and after hanging about for some time on Sunday morning it was decided to call off any further sailing - conditions were a couple of notches above "challenging"! However, Jamie & Megan came 1st in the Slow Fleet (46) & 1st Feva whilst light weight William, flogging along in a Topper came in 12th (49).

SO VERY WELL DONE TO YOU ALL. - LOTS OF PICTURES ON DQSC'S WEB SITE

Stage 1, 2, 3 & 4 Sailors don't forget the Wednesday evening sessions – 0800 – 1915 & let's get those Stages signed off in your Log Books & you've only got 4 more opportunities, so keep chasing the Instructors, to get the practical skills signed off as well.

Thanks to all AIs who are running with these sessions.

BART'S BASH FINAL REMINDER

Bart's Bash on Sept 17th – this is for those who are sailing at a minimum of Stage 3/4 standard & will be able to cope with a long-distance sail, out to sea & round the Weather Station. Those wishing to sail must register on Bart's Bash website - search for AYC venue and register there. £5 to sail as a donation (to Jan please) for the Andrew (Bart) Simpson Sailing Foundation.

Backwards Timings – Race Start: 9.30 Launch: 8.45 Rigging from 8.00
THIS WILL BE THE ONLY SAILING AT THE CENTRE ON 17th SEPTEMBER

FIRST THE GOOD NEWS - The replacement Safety Boat & the Adult Changing Sheds (flat packs) have been ordered, don't panic the developers will be putting them together.

AND NOW THE BAD NEWS - As soon as they are up we'll need to have working groups set up to reconfigure the Main Building – doors to face east, walls made good, concrete steps made, Topper racks moved and" so on & so forth" as they say. If you're willing to get stuck in & get the Centre looking as though it really does mean business please let Roger, Rob or Richard know what you can offer & don't forget somebody will always be welcome to oversee the urn!

These working party days usually end as good fun & a bit of a laugh – camaraderie & all that!

REMINDER: Full subs & Race Week fees by the end of Sept. please, if not to Jan leave in named envelopes In the Tuck tin (spare envelopes available in the tin).

Safety Boat – the Centre STILL needs to replace the Valiant so if anybody has any ideas of a local company, business or potential wealthy benefactor who might sponsor the Centre please let us know.

DRAW TICKETS ARE IN THE MEETING ROOM WAITING TO BE PICKED UP & SOLD.
