

# Only 3 More Days to Go

**Firstly** – Apologies to Aerial who I'd missed off the list of those who'd needed rescuing in the Safety Boat Course.

**Some Changes** – Nathan has stood down from the Committee due to work & training commitments & Richard Renson, who has picked up the Clip Board & Whistle of the Centre's Chief Sailing Instructor, has stepped in.

**2017 Membership is Looking a bit low** – Only 20 that we know about at present, but not all of them have returned their forms so far so, please, if you're planning to re-join get the Forms back as soon as etc. if you're not intending to re-join please let us know. Subs £147 are now due unless other arrangements have been agreed

**Don't forget the Beach Duty Rota** – my job for the next couple of days, so If you are going to be sailing at the Centre this year & you've already got your holiday booked, please send that information along with your Form, or if you've already returned it just email the dates to me please.

**Fun Swim at LSSC Saturday 13<sup>th</sup> May** – Only £5 per person for 1 hour's fun with inflatables in the pool followed by a BBQ in the Compound, I would like to have an idea of numbers so if you could let me know if you're planning to get along to this very early Season Get Together I would be very grateful.

**New Compound.** The fencing & the chains for tying the dinghies down & some of the dinghies are all now in place.

Rob didn't do all this single handed – Wilmot Dixon's Volunteer Force gave him a hand.

Many THANKS to those of you who got along last Saturday to help with the MOVE but there is still more to be done on.....

**May 6<sup>th</sup> 0930 – 1200**

**Please, please make every effort to be there.**

Further to discussions at the last Working Party the Car Park will not come right up to the fence on the west side of the Compound as there will be a landscaped area between the two.
