

# 2 Sessions Down & 40 To Go This Season

If you haven't already responded to the email sent yesterday drumming up support for the Fun Swim here I go again

~~~~~

## Fun Swim at LSSC Saturday 13<sup>th</sup> May

£5 per person for 1 hour's fun with inflatables in the pool followed by a Ploughman's Supper in the Compound. Please tell Jan know asap how many will be in your party & also if will be "nul personnes".....

~~~~~

2017 Membership is Looking a desperately low. Now 21 & 1 possible who went out for an introduction on Sunday so, if you're planning to re-join get your forms back as soon as etc. if you're not intending to re-join please tell us. Push the Boat Out on Sunday 21<sup>st</sup> will be a great day to get your friends & their families along to discover what the Centre has to offer them so, please try to encourage as many as possible. The Centre has a new, well fenced & accessible Compound with, thanks to David Holmes, neatly arranged dinghies, with a new Safety Boat Shed & Adult changing facilities on their way so it's going to look pretty impressive before much longer. Get out & beat the drum to let people know what a superb facility is on their doorstep & encourage people who've never thought about sailing to come & test the Centre out. Full details on the Web Site or call Gareth 07462 881530.

&

Don't forget the Beach Duty Rota, if you've already got your holiday booked, please send that information along with your Form, or if you've already returned it just email the dates to me please.

~~~~~

## First sail of the Season

16 Members in 7 dinghies launched accompanied by 5 safety Boats in great conditions for the "Shakedown" sail, northerlies so a flat sea & not too much wind, although as you can see some did try trapezing!

WANTED Volunteer/s to help fit newer kitchen units into the Centre's Culinary Corner – speak to Roger if you can help out. ALSO a sink as the existing one is rather gross – has anybody got one lurking in the shed or is anybody about to have a new one fitted???

## FOUND AFTER THE SAFETY BOAT COURSE

A pair of small sailing gloves were left in one of the safety boats! See Jan if you think they are yours.

Light Wind Days might be quite different now thanks to West Sussex County Council whose Grant Aided funds to purchase 7 Paddle Boards.

WELCOME to all the "Oppies on the Lake" Sailors who will be joining us on Sunday 14<sup>th</sup>. A good opportunity for you young DIs & AIs to demonstrate what they could aspire to.
