

After Pushing the Boat Out

Push the Boat Out Many thanks to all who came, brought potential new Members along to & helped out with the many odd jobs necessary to make these "Open Days" go so well. As a result, the 2017 Membership is Looking a bit better but there is still room for more Members.

Just look at that fantastic blue sky we couldn't have asked for a better day..... Lots more pictures of the action on the sea, thanks to Richard, on Face Book, in the meantime here's a few of the Oppies on the Lake, after a talk about parts of the boat etc. Elle & Francesca gave a demonstration about tacking before casting them off to have a go themselves & yes, they all came back.

There are still a number of Last Year's Members who have not renewed or let us know that they will not be sailing at the centre this year so, please, if that's you, let us know 1 way or another. Don't forget the Membership Forms must be returned to ensure you are all covered on the Centre's Insurance so if that means you please get the forms back before you turn up for sailing again.

NEXT BIG SOCIAL EVENT - RUBY ANNIVERSARY CELEBRATIONS on July 2nd - can we get 40 Boats on the water? With lots of help from you all we probably could. Let's have all you Members & your families there & if you know any former Members encourage them to get along as well. To ensure these Family Day activities go well lots of help will be needed both afloat & on shore - helping with launching & recovery, supporting the Safety Crews (if you have appropriate qualifications) & obviously assisting with food & dinks from making biscuits, cakes, desserts, salads etc. to just making mugs of tea/coffee/hot chocolate! Oops I nearly forgot the washing up, so you can see there'll be jobs for everybody.
